

Program Ideas

...bringing sunshine where it's needed most

Messages of Hope

Create inspirational and colorful cards for Dream Children who are in the hospital or homebound.

Beautification or Birthday Project

Your group visits the exterior of a Dream Child's home to plant flowers and do some landscaping, put up signs of encouragement or birthday greetings, drop off birthday gifts, etc.

Volunteer Lead

Coordinate other volunteers and logistics at a community event that benefits Children's Dream Fund.

Collect Goodies

We have a constant need for gift cards and other gift items for our children, and for auction/raffle items and other fundraisers.

Care Packages

Create small care boxes or bags for Dream Children, siblings, or their parents. We would like to have these on-hand and ready to drop off to children/families undergoing treatments or otherwise in need.

Deliver a Dream

These are celebrations that can include cake, gifts, balloons, and anything else to give a child a special memory that will last a lifetime!

Care Deliveries

Deliver care packages from the above list to children and their families to bring them joy!

We welcome new ideas!

Can your specific business or group host something unique to you, such as a yoga class, spa day, or art lesson? If you can dream it up, please share it with our team to see if it's a good fit for our Dream children!

Program Ideas

...bringing **sunshine** where it's needed most

Messages of Hope - Get a group together to create inspirational cards for Dream Children who are in the hospital, homebound, or celebrating a dream delivery. Think messages like, "You are our superhero!" or "You've got this! You are so strong!" etc.

Beautification or Birthday Project - Your group visits the exterior of a Dream Child's home where you could plant flowers and do some landscaping, put up signs of encouragement or birthday greetings, drop off birthday gifts, etc. Can vary based on needs and locations of families.

Volunteer Lead - Coordinate other volunteers and logistics at a community event or project that benefits Children's Dream Fund. Includes event prep and communication.

Collect Goodies - We have a constant need for gift cards and other gift items for our children and for auction/raffle items and other giveaways. Often times, just going door to door to local businesses is a great way to acquire donations. We will provide you with our nonprofit paperwork and marketing materials, you just bring your smile and joyful attitude!

Care Packages - Sponsor or create small care packets for dream children. These packages are often needed with very little notice, so it is helpful for us to have these filled and ready to drop off to children/families undergoing treatments or otherwise in need.

Deliver a Dream - A dream coming true is a milestone for a child, so every child who receives a dream also receives a dream delivery celebration! The details will vary because they are based on the dream and are uniquely tailored to each child. They always include gifts, their favorite cake, balloons, and lots of joy! It is ALL about the dream child! If you're interested in this option, we can discuss in more detail.

Care Deliveries - Deliver care packages and messages of hope to children and their families in the hospital to bring them some sunshine!
