About This Event

BCH Mechanical is thrilled to announce the inception of an annual event that promises to captivate our community and make a profound impact on local children – **Tampa Bay's Flamingo Float** benefitting the Children's Dream Fund. At BCH Mechanical, our commitment to giving back to the community is unwavering. It is with great enthusiasm that we extend an invitation to join hands with Moss Construction and esteemed sponsors like yourself for a remarkable cause – **benefiting the Children's Dream Fund.**

Scheduled to take place at **Armature Works on November 2nd, 2024**, this event will see the launch of up to 40,000 rubber flamingos into the river, with the owner of the winning flamingo receiving a 2024 Ford Bronco. Anticipated to be the largest event of its kind in our area, the Flamingo Float is set to create ripples of joy and positivity.

With your esteemed partnership, we aim to elevate this event to new heights of success. Your support will not only help cover the event's costs but will also ensure that every penny raised directly benefits local children in need.

The Children's Dream Fund is a beacon of hope for children grappling with life-threatening illnesses in our community.

TOGETHER, WE CAN TURN DREAMS INTO REALITIES!
