

Program Ideas

...bringing sunshine where it's needed most

Messages of Hope

Create inspirational and colorful cards for Dream Children who are in the hospital receiving treatment or awaiting their Dream Come True!

Sponsor a Dream Delivery

Help us shop for a Dream child and create a "favorite things" basket to give the child during their Dream Delivery. A Dream Delivery is when we tell a child their dream is coming true! It includes a cake, balloons, and a "favorite things" basket including their favorite toys, snacks, and treats. To sponsor this basket, you would receive a list of a child's favorite things. You would then fill a basket with items that will make them SMILE and add to their Dream experience!

Event Volunteer

Assist staff with event needs at both community and signature events that benefit the Children's Dream Fund.

Care Packages - Dream Children

Create small care boxes or bags for Dream Children, siblings, or their parents. We would like to have these on-hand and ready to drop off to children/families undergoing treatments or otherwise in need.

Care Packages - Hospital Staff

Create small care boxes or bags for hospital staff such as nurses, doctors, social workers, and more to thank them for their tireless efforts to bring joy to our Dreamers while they are receiving treatment.

Creative Fundraising

We have a constant need for gift cards and other gift items for our children, and for auction/raffle items and other fundraisers.

Toy Collection

Shop our Amazon Wishlist and purchase items for our Dream children to receive in their Dream Delivery "Celebration Bags" when they find out their Dream is coming true!

We welcome new ideas!

Can your specific business or group host something unique to you, such as a yoga class, spa day, or art lesson? If you can dream it up, please share it with our team to see if it's a good fit for our Dream children!
